1. The breeder, Wendy Nelson, certifies that this dog is in good health and has been immunized with the following vaccinations: Parvo, Para Influenza, Distemper, and Adenovirus 2. The fact that the puppy has been immunized does not guarantee immunity. It MUST have a series of vaccinations, with the final booster given by 6 months of age.
2. Buyer must bring puppy to his own vet within 3 business days of pick up for the health guarantee to be in effect. Injury beyond the seller’s control is not guaranteed. There is a one year health guarantee on anything genetic, as determined in writing by a veterinarian. Seller reserves the right to a second opinion with a vet of his choice. In the event that both vets agree on the diagnosis or in the event of unpreventable death, the buyer will be refunded the purchase price of the puppy or given another puppy of equal value in exchange for the defective puppy. SELLER IS NOT RESPONSIBLE FOR VET BILLS OR SHIPPING COST TO EXCHANGE PUPPY.
3. A \$100 deposit will hold the puppy of the buyer’s choice. This deposit will be applied to the total purchase price of the puppy. However, in the event that the buyer changes his mind, THE DEPOSIT WILL NOT BE REFUNDED.
